**APPLICATION FOR AOB CERTIFICATION
Seniors Division
(Form 4)**

Once AOB Certified members have undergone the AOB (Full Member) Certification process **twice** and reached the age of **55 years**, the AOB re-certification process does not require the submission of case reports.

Should you fulfill these criteria - and wish to undergo AOB Re-Certification without submission of case reports - please complete and submit this form.

When your application has been accepted by the AOB you will receive a Letter of Notification allowing you three (3) years in which you will need to gain the necessary points for your Professional Development Log. The date of your Letter of Notification will signal the commencement of that 3-year period.

When you have gained the required points within your 3-year period you will need to submit your completed Professional Development Log (Seniors Division) - to gain AOB Certification for a further 5 years.

The Professional Development Log (Seniors Division) may be downloaded from the AOB website at www.aso.org.au/aob.
