## Postal Ballot Result

In October 2004, the ASO conducted a postal ballot inviting Members to vote on the motion:

*That ASO Council considers setting a levy of \$1,000 per year for a period of three (3) years to fund an ASO Public Education and Awareness Campaign and related Public Relation needs.*

The response to the postal ballot was high with 82% of those Members with voting rights responding. Of a total of 328 responses, 2 abstained and 6 votes were invalid.

The postal ballot results are listed on a State-by-State basis in the accompanying table.

In the case of a postal ballot, the ASO Constitution requires a simple majority for a motion to be carried.

As 56% of ASO Members voted against the motion, **this motion was not carried.**
