

**AUSTRALASIAN ORTHODONTIC BOARD**

## **ACADEMIC PATHWAY APPLICATION & CASE NOMINATIONS**

The academic pathway is open to all academics holding at least a 40% (0.4 FTE) academic position in an accredited Australian/New Zealand Orthodontic Program.

Only the IDs of two cases completed by students as part of their AOB Certification (student pathway) are required. Applicants should have had a role in the supervision of the students. Records are not required given as part of the program and AOB process these will already have been assessed.

Academics do not need to complete Stage 1. Certification is granted on the basis of a leadership role in an accredited program. Certification is for 7 years. Following a second academic certification, ongoing certification is automatic while holding an academic position of at least 0.4 FTE.

A Professional Development Logbook is not required as it assumed the academic position meets ongoing continuing education requirements.

### **Applicant**

Last Name, First Name			
Address			
Academic Institution			
Telephone		Email	
Membership Status		State Branch	
AOB Number		(AOB Number will be allocated for new applicants)
